

Geoffrey Haig was awarded his PhD in general linguistics from the University of Kiel in Germany in 1997. He has worked as a lecturer and researcher in linguistics at the universities of Bielefeld, Kiel, the Swedish Institute of Advanced Studies, and the Australian National University. Since 2010 he has been the chair of the department of General Linguistics at the University of Bamberg. His research interests are the languages of Middle East, in particular Turkic and Iranian languages, language documentation, areal linguistics, language typology, in particular corpus-based approaches, and language change.
